

Student Club & Organization Application Form

Clubs & Organizations at the University of Saint Katherine serve to nourish students' engagement in University life as well as our surrounding communities. Students will gain a deeper sense of belonging, be able to develop leadership skills, and meet different students with shared interests. Leaders and members of Clubs & Organizations have the opportunity to create inclusive communities for the student body that support the University's mission to teach students an appreciation for giving back to others.

Suggested Club/Organization Name: _____

Student Leader Name(s) and Contact
number(s): _____

Advisor's Name: _____

Please note that the above information will be listed on the University website.

Explain the purpose of the club/organization as you would like to see it listed as your mission statement.

What are the top three goals of this club/organization for the academic year?

What are some long-term goals of this club/organization beyond this school year?

What are some activities and events this club/organization anticipates coordinating this year?

What are some ways this club/organization will encourage participation from diverse groups within the USK community?

If approved, the proposed Clubs & Organizations will do the following:

- support and operate within the objectives and mission of the University of Saint Katherine
- be a positive contribution to the community and to the body of the University
- each officer and member must be in good academic standing
- recruit and accept a diverse group of members from varying teams, gender, and class without bias
- maintain open communication with all members, the advisor, and the Director of Student Affairs
- obtain approval by the advisor or Director of Student Affairs no less than 48 hours in advance before engaging in any off-campus activities
